The 1958

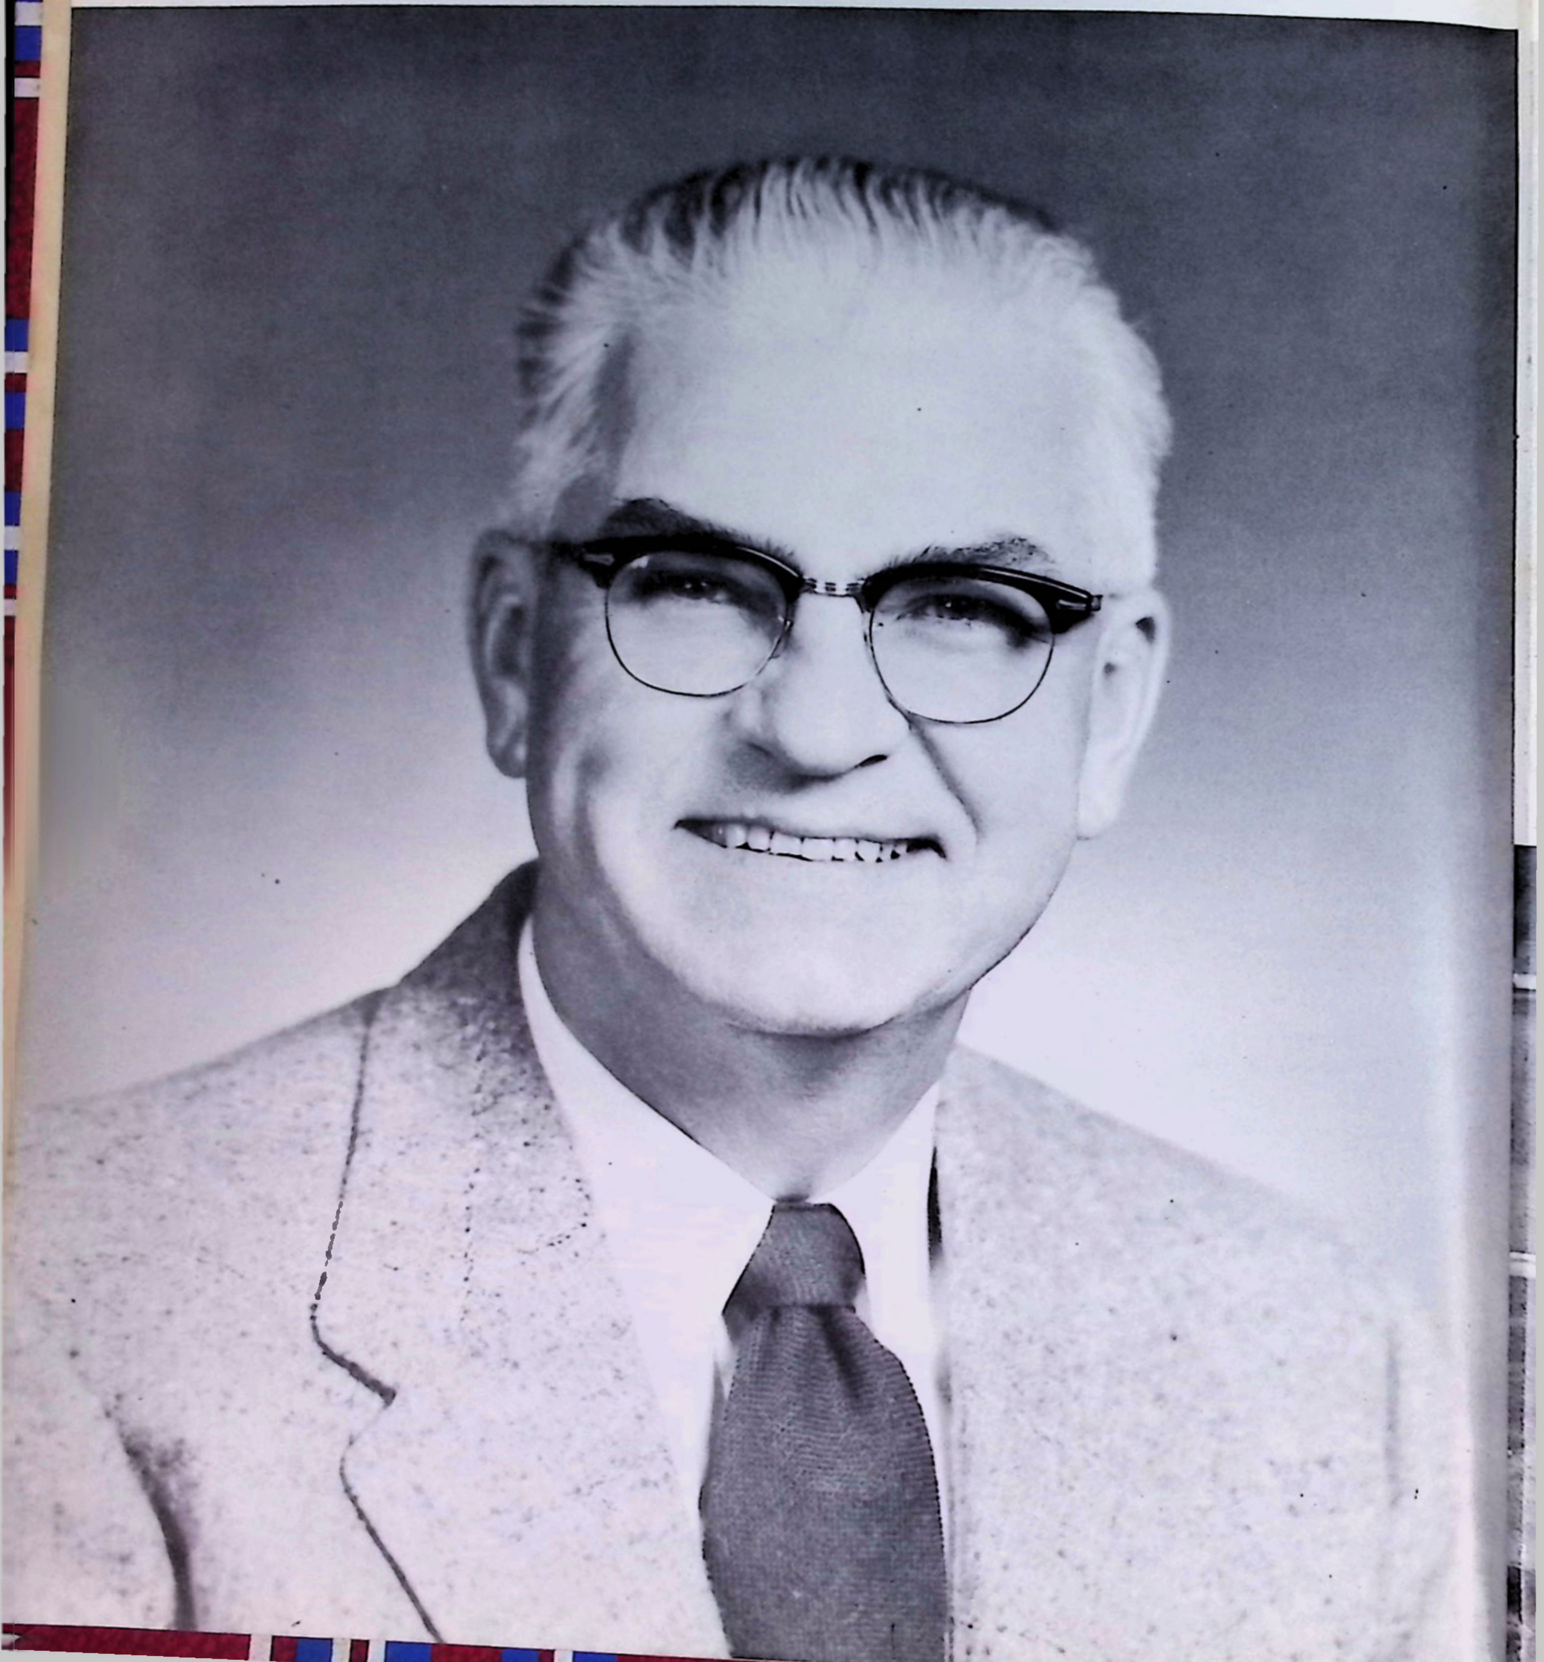
Scottie

Presented by

The Senior Class

Scottdale Joint High School
Scottdale, Pa.

Dedication To



Dr. Clinton M. Puff

Because of your outstanding devotion to our school, we, the Class of 1958, dedicate our yearbook to you, Dr. Clinton M. Puff.

The educational advancement which our school system has made during the fifteen years in which you have been superintendent has been unequalled in the history of the Scottdale schools. The jointure was formed through your outstanding leadership and tireless efforts. As a result of the jointure and, again, your tireless efforts, the community's dream of a new junior-senior high school has become a reality.

The following words written by Daniel Webster express the true meaning of your contribution to education in Scottdale: "If we work upon marble, it will perish; if on brass, time will efface it; if we rear temples, they will crumble into dust; but if we work upon immortal minds, and imbue them with principles, with the just fear of God and love of our fellow-men, we engrave on those tablets something that will brighten to all eternity."

Class of 1958

Graduates, it is rather difficult for me to convey to you a written message which will fulfill adequately a measure of satisfaction in the accomplishment of what each of you has attained — a diploma.

Today education is being measured in terms of scientific achievement, celestial conquests, etc. The failure of our country to match scientific studies with those of a foreign people whose basic philosophy of life is so alien to our concepts of a wholesome personality, has caused many of our leaders to panic.

You as students have been aware of this reaction. The newspapers, radio, television and movies will not allow you to escape unscathed. How much of this responsibility must you shoulder? How much your school? Your parents? Your community?

We firmly believe that your school has a sound educational philosophy. The strength and breadth of this philosophy is only as strong as the conviction of our joint communities.

It is our fervent belief that the new school on the hill symbolizes the desire of all of us for a growing and changing educational philosophy which will not need a major overhauling with each crisis our country must surmount.

The faculty and the undergraduates join me in congratulating you upon completing this educational level in your life cycle. We personally think you have been a fine group of youngsters.

Best wishes for success in your life's endeavors.

R. E. Ronco

"What lies behind us and what lies before us are tiny matters compared to what lies within us!"

Faculty

MR. BRADY & MR. WILSON

"It is the lifted face that feels the shining of the sun."

MISS DICK & MRS. MIHM

"This above all: to thine ownself be true."

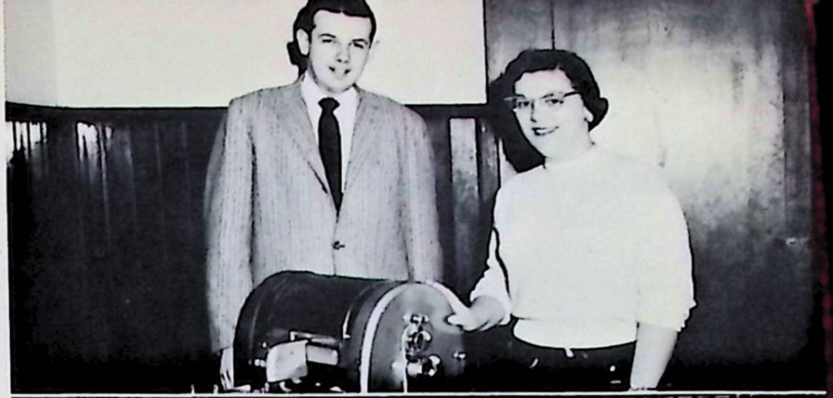
MISS LAUGHREY & MISS LOUCKS

"Humanity is one—there are no superior or inferior creeds or races."

MR. SEESE, MRS. BURKHOLDER, MR. MARCO

"Joking and humor are pleasant, and often of extreme utility."

"Though we travel the world over to find the beautiful, we must carry it with us or find it not."



MR. CHRISTNER & MISS HARRER

"Beauty is truth, truth beauty, that is all ye know on earth, and all ye need to know."

MISS MINER & MRS. MARTORANA

"A good workman never complains of his tools."

MR. HAZEN & MRS IRWIN

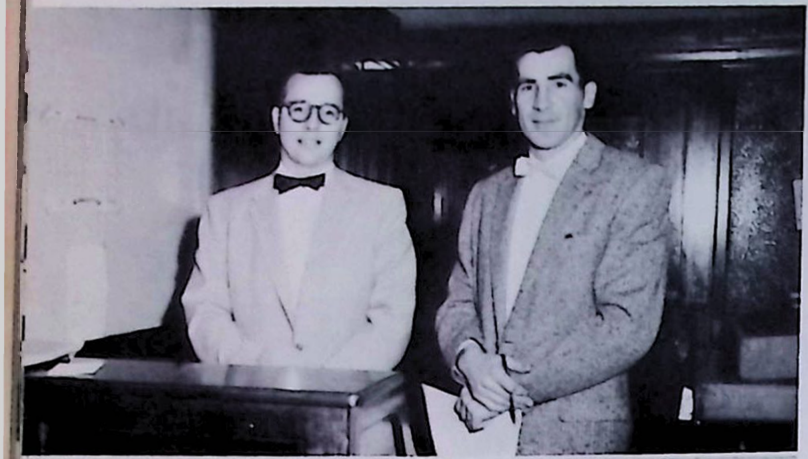
"And ye shall know the truth, and the truth shall make you free."

MR. WINGROVE, MRS. BECK, & MR. MEHALLICK

"One quick way of making ends meet is by driving too close to the car ahead."

Favorite Quotations

"Few things are impossible to diligence and skill."

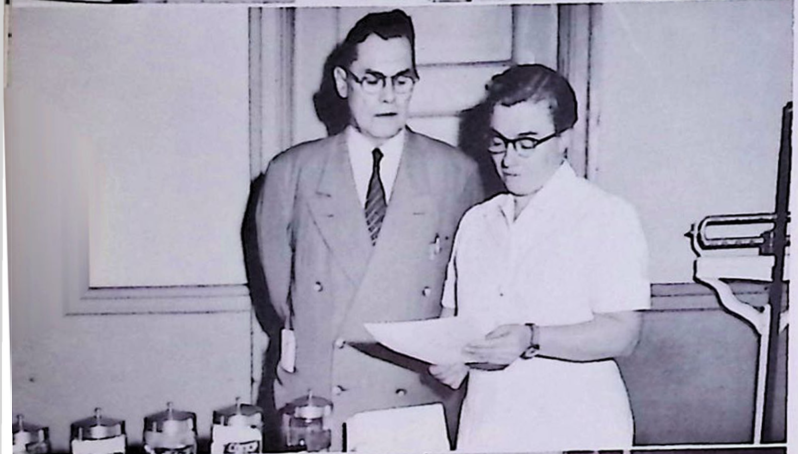


"And gladly would he learn and gladly teach."

MR. BANASICK & MR. ZEMA

"Do unto others as you would have them do unto you."

MRS. GLEYSTEEN & MISS DAVIS



"Your education has been a failure—no matter how learned you are—if it has failed to open your heart."

MR. SNADER & MISS MARTZ

"Time is of no account with great thoughts."

MRS. MALOY, MRS. KIMBALL, & MR. SHIMSOCK

"Grow old with me!
The best is yet to be.
I have warmed both hands at the fire of Life—and
I am not afraid."

CLASS SONG

As the years disappear in the twilight of time,
With a sigh we will fondly recall
All the things that we've done,
As we studied and won
In the rooms of our old hallowed school.

Side by side as we stand,
Looking out at the world,
Making vows to remember our years.
As we part feeling sad
From our schoolfriends, and you
May our memories grow brighter each year.

Chorus:
Scottdale High! Scottdale High! I will always be
True to you, true to you, like a friend.
I'll be faithful to you as the years go by
I'll be yours and you'll always be mine.

The pink end sheets of this years
"Scottie" carry out the class color
of the graduating class of 1958.

Class of 1958

Mr. Wilson, Sponsor, Marcia Weisel, Jay Metzler, Ron Sturtz, Jim Bednarowicz

Scottdale High! Scottdale High!
I will always be
True to you, true to you, like a friend
I'll be faithful to you as the years go by
I'll be yours and you'll always be mine.

As graduation day approaches and we think of the words of our class song, memories of our days in Scottdale High come flooding back.

The most outstanding memory of our sophomore year is that of our class trip to Pittsburgh.

Then came our junior year and selling projects by the dozen. The most successful project was the magazine sale in which our class broke all previous records. Because of our excellent salesmanship we were able to go, as a class, to Washington, D.C. Another important day during our junior year was when we proudly wore, for the first time, our class rings.

Then came our last year in high school and with it all the added responsibilities of being seniors. This year as we approached graduation day, we felt more regret than other senior classes because we realized that we were the last senior to leave these familiar halls. However, we had the honor of being the first class to hold our commencement exercises in the auditorium of our new school. It is with mixed emotions that we now close this chapter of our lives, anxiously looking foward to the future, but at the same time fondly recalling the days spent in Scottdale Joint High School.

A score in good sportsmanship

The Girls Athletic Association, better known as G.A.A., has a membership of 50 girls. This includes 11 seniors, 14 juniors and 25 sophomores. Meetings are held the first three Thursdays of every month from 3:30 to 5:30. The girls participate in basketball and softball games, swimming, and volleyball tournaments. This year a point system was set up by the sponsor, Mrs. Alda Beck, through which the girls win letters, pins, or jackets, depending on their activity during the year. The winter season is spent at the gym of the Y.M.C.A., where volleyball tournaments were a main attraction.

The officers elected for the 1957-58 term are as follows: president, Marie Loucks; vice-president, Patty Barber; secretary, Marge Harris; treasurer, Carole Yoder.

Student Council -- Voice of SJHS Students

The governing body of the Scottdale Joint High School consists of 25 members. Sixteen of the members are class presidents, and class vice presidents, and home room presidents. The remaining membership is elected by the student body. At their first meeting the council members elected the following officers; President, James Ruth, vice-president, Leo Hickey, secretary, Marcia Weisel, treasurer, Charles Robinson.

The function of the Student Government Association is to sponsor the various clubs and activities; and to voice and act on the desires of the student body. Led by a dignified and democratic president, the council has assumed new responsibilities this year.

The first activity of the Student Council was to schedule and assign assembly programs to designated classes and clubs. Under their direction the coronation of the Gridiron Queen was carried out. A new club, the Camera Club, was underwritten by the council. Tickets sales for the Dramatics Class Presentations and the annual Student-Faculty Basketball Game were other activities.

To encourage democracy in home and community life

Future Homemakers of America is the national organization of girls studying homemaking in high schools of the United States and Territories. Any student enrolled in a high school, public or private, who is taking or has taken a homemaking course in junior or senior high school may become a member. The over-all goal of the organization is to help individuals improve personal, family and community living, now and in the future.

In Scottdale we develop a program of work including projects and experiences which will help them work toward these purposes:

1. To promote a growing appreciation of the joys and satisfactions of homemaking.
2. To emphasize the importance of worthy home membership.
3. To encourage democracy in home and community life.
4. To work for home and family life for all.
5. To promote international good will.
6. To foster the development of creative leadership in home and community life.
7. To provide wholesome individual and group recreation.
8. To further interest in home economics.

Motto: Noblesse Oblige

We have had an Honor Society in Scottdale High since 1944. Started by two faculty members, Mr. Donald Moon and Miss Ann Dick, it was continued on a local basis until 1953 when qualifications necessary for a national charter were met.

Four qualifications are required for membership in the Honor Society—scholarship, leadership, character, and service.

Members are received in three different groups. Three percent of a class is taken in at the end of the second semester of the junior year. Five percent more is taken in the first semester of the senior year, and two percent more in the second semester of that year, making a total of ten percent of each graduation class.

This year's members had several successful selling projects. Several books were presented to the library by the Honor Society.

December 18, at an assembly program, senior members were presented with National Honor Society Pins by Mr. Ray E. Ronco, principal.

Officers were: Leo Hicker, president, Jay Metzler, vice-president, Joan Stoker, secretary, and Nancy Davis, treasurer.

Commercial Club

"Take a letter, please, Miss Jones."

The Commercial Club is one of Scottdale High School's largest organizations and is under the guidance and supervision of Miss Harrer and Mr. Christner. These students will become tomorrow's leaders in the business world. Although the members are interested in business their thoughts often turn to social activities of which the club had many.

Among the most successful were the Christmas dance and the Club picnic held last fall. To be eligible for membership, each student must take at least two commercial subjects. For a new organization the Commercial Club has shown much progress in the past year and will undoubtedly expand in the future.

A new activity this year was the journalism club sponsored by Miss Virginia Miner. Meetings were held twice a month. At each meeting the members learned better ways of writing various types of newspaper articles through informative programs by the students.

Most of the members were underclassmen, and they served as reporters or assistants for the staff of the SCOTTIE REVUE. The staff itself was composed of members of the journalism class, all of whom were seniors. Every month the reporting staff of the club received writing assignments. The articles were edited by the staff before being printed in the SCOTTIE REVUE. Other members helped with art, photography, circulation, business, and advertising. Any assignment was a challenge to the club members.

It was always a struggle to get the work done at the time required by the editors. But even though it was sometimes hard work, the club felt that it had a vital part in making one of the best years of SCOTTIE REVUE.

Officers of the club were president, Eunice Strabel; vice president, Ruth Ann Brilhart; secretary, Dottie Dzik; and treasurer, Wilma Bluhm.

"The shutter-happy club"

The newly formed Camera Club has made much progress. They have some very active members who report a worthwhile year.

This club is very fortunate to have very good equipment with which to work. Some of the larger pieces of equipment include two press cameras and an enlarger. This club, under the sponsorship of Mr. Banasick, set to work and built a dark room. It isn't their dream room; however, it's a place to work. The club representatives have been taking action shots around the school. A number of the club members have learned to make their negatives and also their own prints.

Other activities of the club were informational movies selling programs at the football games, and a Christmas party. The party included food and educational picture developing.

The club displayed their equipment at open house. We are looking for this club to be outstanding in the pictures they display.

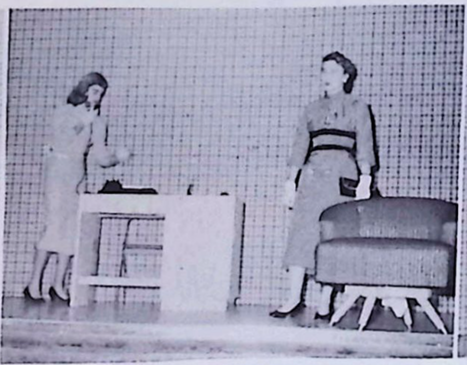
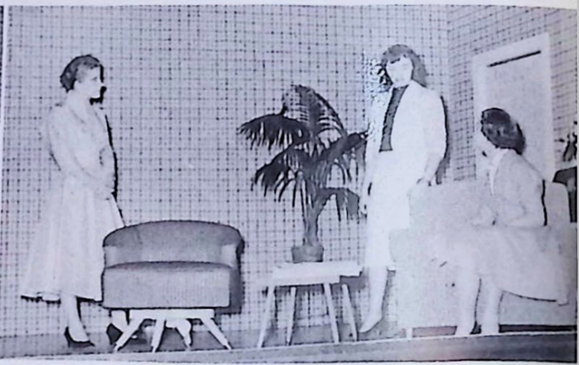
Here She Comes

Nickie Brooks, a beautiful young co-ed, is being initiated into a dramatic club. The final stunt she is ordered to pose for twenty-four hours as Maritza Lopez, a famous film star. Nickie is horrified, and tries to beg off-not because she doesn't look enough like Lopez to be her twin—not because she can't "take her off" to perfection—but because she earns her living as Lopez' unknown double—in riding, swimming, and other athletic episodes. To be caught posing as Lopez might cost Nickie her job. Persuaded, however, that "everything's going to be all right," Nickie starts the impersonation at the Palm Tree Inn. Then Lopez herself, her daring press agent and her adoring Negro maid all appear at the inn to pull a fake kidnaping scare for a bit of publicity! With a talkative Irish maid; the wily owner of the inn; a sweet young thing; a gal reporter; Luella, a "child" star; her gushing adoring mother; the former diction teacher of Lopez; the gal who hopes to improve her finances by purchasing the Palm Tree Inn and the pessimist there is a giddy whirl that never lets down from the rise of the curtain until it falls at the close of the play.





This year Dramatics was added to the high school curriculum. Class met according to schedule and each semester the class presented a play. Miss Laughrey is teacher and director of both plays. The play chosen for the spring semester was "Don't Darken My Door". The plays were well received.

A new Scottie Club

The Hi-Y Club is a national organization and was sponsored by Mr. James Werkman. Mr. Werkman and Mr. Ronco selected twelve members, considering grades and activities. The club elected officers as follows: Jay Metzler, president; Darl Lochinger, vice president; Stoner Tracy, secretary; Richard Wishart, treasurer; James Jenkins, chaplain; and Ronald Sturtz, historian. The club is based upon high Christian and moral ideals. The Hi part stands for high school and Y stands for Y.M.C.A. The club meets in the Y.M.C.A. every Monday evening at 7:00, and it is usually followed by some form of recreation.

"Extra. Extra. Read all about it."

This was an important year for the SCOTTIE REVUE. The paper, for the first time, was published by a journalism class which Miss Virginia Miner was in charge of. The Journalism course is now part of the curriculum and is a full credit subject. The class of fourteen seniors made up the editorial staff of the paper. Reporters were members of the Journalism Club, an extra-curricular activity also sponsored by Miss Miner.

The SCOTTIE REVUE itself had a complete face-lifting because of the change from the offset type paper to the letter press type. Along with these changes came still another; the way in which the paper was sold. This year, for the first time the SCOTTIE REVUE was sold by semester and yearly subscriptions.

In my heart there rings a melody.

Scottdale High is very proud of their mixed chorus of sixty-five selected voices under the direction of Mrs. Martz. Not only do they give a very beautiful Christmas and Easter program but their small groups, such as boys quartet, mixed quartet, trio and girls quartet, augment each assembly program at the theater. They are always willing to help the community by giving of their talents.

Besides enjoying a buffet dinner in the early fall, Christmas party and spring picnics, they devote much time to serious vocal training. Our school has been represented in all the County, District, and State Choruses. Their success as a group can also be measured by the fact that some of their former members are singing in A CAPPELA choirs and quartets in various colleges.

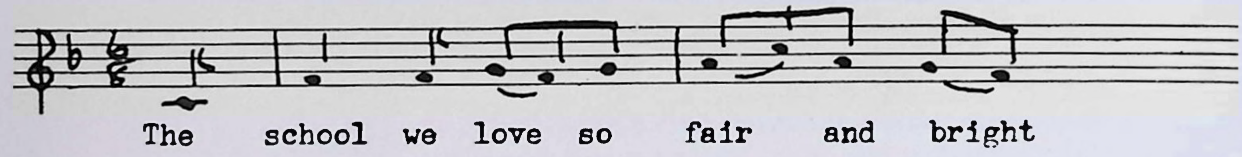
ALMA MATER



The Scottie band, under the direction of Mr. Hazen, is composed of 55 marching members. This includes both junior and senior high school students. The band contributes whole-heartedly to many of the school activities. In addition to its performance at every football game, the band participates in pep rallies and various assemblies. They have also marched in the parades of Scottdale and the surrounding towns. Selected members represent our school annually at District Band and County Band.

When praise and honors are distributed, our band is often overlooked. We would therefore like to take this opportunity to thank Mr. Hazen and every member of the band for their unselfish labors in behalf of our school. We hope they will continue to be active participants in the activities of our school.

With graduation the Scottie band will lose seven members: Eileen Beck, Bob Fifield, Vince Konzel, Chuck Robinson, Marge Skovira, and Ronnie Sturtz, and also Jim Jenkins, who has been our capable drum major for the past three years.

After the resignation of Coach Carson last year Assistant Coach Harry Mehallick was elected to the head coaching position. Jerome Marco was then elected to Assisting Coaching slot.

The new coaches started off the season with four lettermen returning, Bob Christner, Gene Dzambo, Jack Wall, and Stoner "Boots" Tracy. Bob Christner and Ed Kaper were elected as team captains.

At the beginning of the season practice sessions were hampered. The new high school gym wasn't ready, the Armory was not available, so the squad had to travel to East Huntington where they practiced from seven to ten o'clock every evening for two weeks during preseason. Gene Dzambo was late in coming out as well.

The Scotties have some height in Bob Christner and Gene Dzambo the two boardmen. Crack shooting of "Boots" Tracy, Ed Kaper, and Rich Cameron out front helped the Scotties.

Late in January, the gym of the new school was ready for use. After four days of practice on this new and bigger floor we met Ligonier. The new gym was a thrill for the spectators as well as the team.

Standouts: Jack Wall — Stoner Tracy

With eleven lettermen returning it looks like the Scotties will have a successful track season. The squad is pretty well balanced with seniors, juniors, and sophomores.

The team will have tremendous speed in Jack Wall in the sprints. He placed second in the county last year for the 440 and third in the "100". He also was entered into the W.P.I.A.L. competition. The mile relay team of Wall, Schroyer, Knipple, and Lochinger will be back. Tracy will be handling the hurdles. Christner wil top the bar in the pole vault event. Ruth and Clelland and Millslagle will be on hand for the weight events. A big sophomore who is expected to really help out is Dennis Forsythe, who was second in the discus in J.V. W.P.I.A.L. last year. Things look pretty fair.

Scottdale's Sam Snead
JOHN KONIECZNY

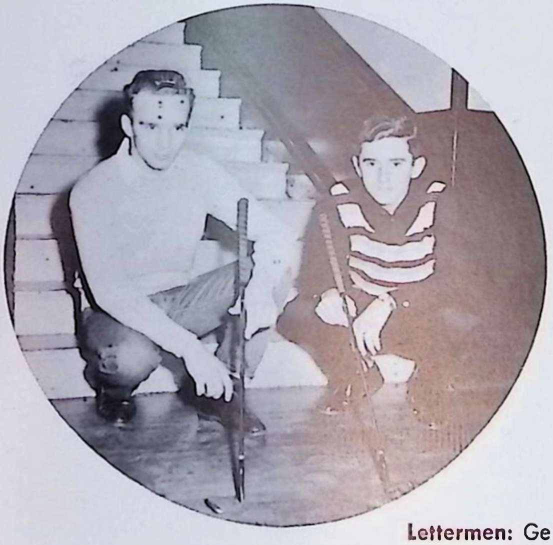
1958 is the third year for the Scottie Golf team. The teams have done very well in the past two years. The Scottie team in the first year coached by Mr. Ronco, putted their team to a second place berth. The second year coached by Mr. Gratson was equal to the first year with a second place in the section.

The first year the Scotties were defeated by Greensburg High, and the second year were defeated by Latrobe.

At the end of each season the W.P.I.A.L. tournament is held, the first and second man of each team in the district of Pittsburgh and surrounding area compete. The first nine lowest scoring boys will have a chance to compete at Penn State for a scholarship. John Konieczmy placed in the W.P.I.A.L. and state meets last year. He has hopes of winning this year.

The team for this year has a high spirit for winning the section. We have lost two valuable men from last year. The coach for this year is not known as yet. The team for this year, will in all probability consist of John Konieczny, Gene Dzambo, James Eutsey, Ron Nowicki, and Robert Sandzimier. The team will start practice in March and the tournament matches will start in April.

The opponents whom Scottdale will play in the section this year will be Greensburg, Latrobe, Jeannette, Hempfield, and Connellsville. The matches will be played at the Pleasant Valley country club—time 3:15.



Lettermen: Gene Dzambo

DIAN BLUHM, GRIDIRON QUEEN OF 1957

Cleda Hixson

The names of six lovely girls were announced as Gridiron Queen and attendants at a pep rally. There were shouts and tears of joy. Many shared in the excitement of the coming coronation.

Now to make preparation for the coronation. The girls shopped, measured, and fitted till the last detail of their gowns was in order. The co-captains were practising, too.

The big evening arrived with everyone in grand spirits. The queen and her attendants had exchanged their gifts. The big moment was upon them.

Queen Dian, the fourteenth Gridiron Queen of Scottdale Joint High School was crowned, during half-time ceremonies at the Scottdale-Rostraver football game.

The attendants were Elaine Barclay, Rose Marie Rozycki, Cleda Hixson, and Carol Merritt. Little Lisa Mehallick was crown bearer. Co-captains Ronald Knipple and James Ruth escorted the queen and presented the crown and robe to her. And another name was added to the roster of gridion queens of Scottdale Joint High.

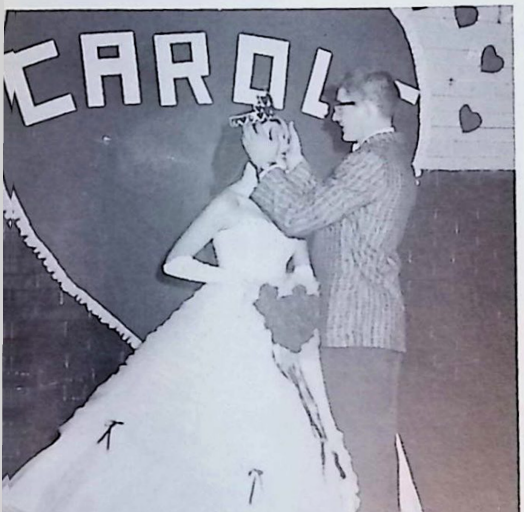
Queen of Hearts Ball



Chosen by the members of the Junior Class, Carole Heise was crowned Queen of Hearts on February 14, by Stoner Tracy, class president, and reigned supreme at the dance held in her honor at the Scottdale Y.M.C.A. Her attendants were Patricia Hickey and Jackie Muzina.

All three girls are active members of their class, having participated in many worthwhile school activities.

This is the third year for this gala event. Patricia Maloy and Dian Bluhm were the two previous queens.

His Message

Another phase of school life is now a matter of record. Next year, with the other students of the present-junior high school, you will enter the Scottdale Joint High School. No better way of showing your appreciation for the efforts of the community in providing the new facilities can be found than to resolve to do the best you know how in your new classrooms, shops, and laboratories. It would be an injustice to the community, your parents, and to yourself, to do less.

May you therefore, by a persistence in effort, develop your talents and abilities to the utmost. May you attain your full development as young men and young women eager to enter the world — because you are prepared to do so.

Jr High Basketball

We began this year with one former player returning. The squad in general had good height and the boys had high speed. The outstanding scorers this year were Dennis Fite and George Dayoob. Big Don Laughrey and Jim Newell were outstanding defensive players. Little Bill Marino the smallest player on the team came through when needed. Dom De Santis, Gilber Hall, Ron Duggar and John Brilhart were always on hand. We feel that our season has been a success. We are sure you will be hearing more about these boys in the future.

Jr High Football

The Scottie Jr. High Football team this past year was coached by Mr. Banasick and posted an over-all season record of one win and three losses. The scores of the games are listed below. Although the scores don't show it the little Scotties did themselves proud in their Coach's opinion, in playing a good brand of ball. Mr. Banasick tried to get as many boys out for football as he could and during mid season had approximately fifty candidates practicing. The flu epidemic cancelled some of the games and many of the younger players withdrew because of illness. The squad has turned out some good backs and some good linemen. We'll be hearing a lot more of these boys when they move up to the varsity.

Basketbrawl

The tired and aging teachers of the Scottdale Joint School system once again proved too much for the Senior Football Squad Basketeers. The teachers built up a terrific lead during the first half as the seniors could not seem to get going. When the footballers did get going it was too late. Result:

Tired and aging teachers 48 . . . Senior Football Stumblers 32.

Teachers taking part: **Front Row: L-R:** M. Wingrove, J. Wilson, D. Hoke, H. Mehallick, V. Behanna, W. Keibler **Standing:** M. Banasick, J. Marco, J. Gratson

Our Farewell

From Dr. Puff's Desk

TO THE CLASS OF 1958:

You are to be congratulated for completing the course of study in the public schools. At the same time I am wondering if you know just what it is you have accomplished.

In this country, to be graduated from high school means to have completed the course in citizenship in a democracy as prescribed by the people of America. You have been taught the traditions, the principles and the prospects of our free way of life. According to the scheme of things established and known as the American Way of Life, you are now prepared to take over the running of this country.

How well you are prepared for the high responsibility of running this country reflects the quality of education you received in the Scottdale Joint School System. And because the requirements of citizenship are becoming greater all the time, a higher quality of training is required of each succeeding generation. That is why a school building erected almost 50 years ago can no longer adequately meet the needs of preparing citizens for the responsibilities demanded of them today.

Yours will be the last class to have completed the high school course of study in the old Scottdale High School. You are part of an impressive company consisting of exactly 4,200 persons who have been graduated from this building. The old Scottdale High School has served well for its time as a school for American citizens. It is our great hope that the new Scottdale Joint High School will meet the demands of modern times with the same degree of effectiveness.

As your parents and teachers it has been our deepest concern to see to it that your preparation for the responsibilities of citizenship should be just as good as it was possible to make it. Because of the new building, future graduating classes will have greater opportunities for learning, but their basic training in citizenship will be no better than what you have received. We ask only that you accept and carry out these responsibilities in accordance with the training you have received.
